

Instructions

How far advanced are you with the implementation of Article 3?

We have not started yet.

We have fully implemented it.

Have you already mandated the competent authority, which shall monitor the application of the EEFP according to Article 3 (4)?

Which institutions is it (or will it be)?

Have you already applied the EEFP in practice?

If applied, in which sector?

What are the challenges on the way to implementing Article 3?
