

European
Commission

Provisions of the amended Energy Efficiency Directive (EU) 2018/2002

Concerted Action WG 5,1 meeting
Zagreb, 17 October 2019

Article 1: Directive 2012/27/EU is amended as follows:

- ❑ **(11) in Article 15, the following paragraph is inserted:**

- ❑ *'2a. By 31 December 2020, the Commission shall, after consulting relevant stakeholders, prepare a common methodology in order to encourage network operators to reduce losses, implement a cost-efficient and energy-efficient infrastructure investment programme and properly account for the energy efficiency and flexibility of the grid.'*

- ❑ **(15) Article 24 is amended as follows:**

- (b) the following paragraphs are added:**

- ❑ *13. By 1 January 2021, the Commission shall carry out an assessment of the potential for energy efficiency in conversion, transformation, transmission, transportation and storage of energy, and shall submit a report to the European Parliament and to the Council. That report shall, if appropriate, be accompanied by legislative proposals.*

- ❑ **Identifying energy efficiency improvements and saving potential in energy networks and demand response, in support of the implementation of Article 15 of the Energy Efficiency Directive (2012/27/EU):**
